ISTA National CPD Programme 2023 – 2024

Sponsored by Lennox Laboratory Supplies

Thanks to the generous sponsorship of Lennox Lab Supplies, all of the ISTA National CPD events are free to ISTA members. Full details of each event, including the link to join online events, will be sent out to all those who are in the ISTA membership database. Please make sure that your membership is up to date as otherwise you may not receive the notifications as the online system automatically deletes you from the database when your membership expires.

Term 1
